

STATEMENT

It's my pleasure to provide this letter of recommendation for Fisnik Lajqi who has been part of the Unisport Graphic Department since September 2016.

I've worked closely with him over the past 4 years, sharing the same open office space. Besides being great company and a magnificent Graphic Designer, Fisnik's passion and willingness to get the job done is second to none. Qualities that assures you that you can always count on him.

Among other things, Fisnik has solved the following tasks:

- Project Lead on +80 microsites
- Project Lead on photoshoots and campaign launches
- Created and optimized templates for campaigns for Desktop and Mobile
- Created and designed new features for microsites
- Optimizing workflow for graphical productions
- Designed identities and apparel products
- Designed newsletters
- Solved UX and UI tasks
- Solved digital and print graphical needs for Flagship Store in CPH and Paris, WebTV, Customer Service and Marketing

He has shown to be inventive, creative, passionate and extremely dutiful. There is not a deadline or assignment missed.

I am saddened by the fact that we had to part ways with Fisnik. If I could keep him in my team, I would do it in a heartbeat. We wish him the best of luck and know he has a great future ahead.

I highly recommend Mr. Fisnik Lajqi, as he would be an asset to any organization. Please do not hesitate to get in touch with me if you have any further questions.
